PICOVIEW SOURCES		
PV-150-C	PicoView 150 Nanospray Source for Thermo LCQ Classic: Includes voltage modules, illumination system,	¥2,410,000
PV-150-C-220V	PicoView 150 Nanospray Source for Thermo LCQ Classic: Includes voltage modules, illumination system,	¥2,410,000
PV-150-D	PicoView 150 Nanospray Source for Thermo LCQ Deca: Includes voltage modules, illumination system, an	¥2,410,000
PV-150-D-220V	PicoView 150 for ThermoFinnigan Deca. W/ Magnetic interlock stage, advanced spray & high resolution tip imaging, universal valve mount. Valve not included.	¥2,320,000
PV-400-Q	PicoView 400 Nanospray Source for QSTAR: Includes voltage modules, illumination system, and video imaging system	¥2,780,000
PV-400-Q-220V	PicoView 400 Nanospray Source for QSTAR: Includes voltage modules, illumination system, and video imaging system(220V)	¥2,320,000
PV-500-L	PicoView 500 series for JEOL LCmate w/ 3 obj. lens video system, illuminator, 9" b&w monitor, xyz st	¥2,900,000
PV-500-X	PicoView 500 Nanospray Source for Thermo Deca XP: Includes voltage modules, illumination system, and video imaging system	¥2,780,000
PV-500-X-220V	PicoView 500 Nanospray Source for Thermo Deca XP: Includes voltage modules, illumination system, and video imaging system (220V)	¥2,780,000
PV-550-E	PicoView 550 Nanospray Source for Thermo QExactive: Includes voltage modules, illumination system, and video imaging system	¥2,900,000
PV-550-E-220V	PicoView 550 Nanospray Source for Thermo QExactive: Includes voltage modules, illumination system, and video imaging system (220V)	¥2,900,000
PV-550-EHSW	PV/DPV-550 Electronics Housing with Interlock Toggle Switch	¥229,000
PV-550-L	PicoView 550 Nanospray Source for Thermo LTQ, LTQ/FT: Includes voltage modules, illumination system,	¥2,900,000
PV-550-L-220V	PicoView 550 Nanospray Source for Thermo LTQ, LTQ/FT: Includes voltage modules, illumination system, and video imaging system (220V)	¥2,780,000
PV-550-O	PicoView 550 Nanospray Source for Thermo LTQ Orbitrap: Includes voltage modules, illumination system, and video imaging system	¥2,780,000
PV-550-O-220V	PicoView 550 Nanospray Source for Thermo LTQ, LTQ/FT, Deca XP Max: Includes voltage modules, illumination system, and video imaging system (220V)	¥2,780,000
PV-550-X	PicoView 550 Nanospray Source for Thermo Deca XP Max: Includes voltage modules, illumination system, and video imaging system	¥2,780,000
PV-565-F	PicoView 565 Nanospray Source for Thermo Orbitrap Fusion Tribrid MS: Incl. actuated stage, voltage modules and imaging system	¥2,900,000
PV-565-F-220V	PicoView 565 Nanospray Source for Thermo Orbitrap Fusion Tribrid MS: Incl. actuated stage, voltage modules and imaging system (220V)	¥2,900,000
PV-565-Q	PicoView 565 Nanospray Source for Thermo Quantiva MS: Incl. actuated stage, voltage modules and imaging system	¥2,900,000
DIGITAL PICOVIEW SOURCES		
DPV-550-E	Digital PicoView 550 Nanospray Source for Thermo Q Exactive - Includes actuated stage, voltage modules, imaging system, rinse station, software	¥4,640,000
DPV-550-E-220V	Digital PicoView 550 Nanospray Source for Thermo Q Exactive - Includes actuated stage, voltage modules, imaging system, rinse station, software.220 Volt	¥4,640,000
DPV-550-L	Digital PicoView 550 Nanospray Source for Thermo LTQ: Incl. actuated stage, voltage modules, imaging system, rinse station, software	¥4,640,000
DPV-550-L-220V	Digital PicoView 550 Nanospray Source for Thermo LTQ: Incl. actuated stage, voltage modules, imaging system, rinse station, software 220V C/F	¥4,640,000
DPV-550-O	Digital PicoView 550 Nanospray Source for Thermo Orbitrap - Includes actuated stage, voltage modules, imaging system, rinse station, software	¥4,640,000
DPV-550-O-220V	Digital PicoView 550 Nanospray Source for Thermo Orbitrap - Includes actuated stage, voltage modules, imaging system, rinse station, software.220 Volt	¥4,640,000
DPV-550-T	Digital PicoView 550 Nanospray Source for Thermo TSQ - Includes actuated stage, voltage modules, imaging system, rinse station, software	¥4,640,000
DPV-550-T-220V	Digital PicoView 550 Nanospray Source for Thermo TSQ - Includes actuated stage, voltage modules, imaging system, rinse station, software.220 Volt	¥4,640,000
DPV-565-F	Digital PicoView 565 Nanospray Source for Thermo Orbitrap Fusion Tribrid MS: Incl. actuated stage, voltage modules, imaging system, rinse station, software	¥4,640,000
DPV-565-F-220V	Digital PicoView 550 Nanospray Source for Thermo Orbitrap Fusion Tribrid MS: Incl. actuated stage, voltage modules, imaging system, rinse station, software; 220V C/F	¥4,640,000
DPV-565-Q	Digital PicoView 565 Nanospray Source for Thermo Quantiva MS: Incl. digitally actuated stage, voltage modules, imaging system, rinse station, software	¥4,640,000
DPV-565-Q-200V	Digital PicoView 565 Nanospray Source for Thermo Quantiva MS: Incl. digitally actuated stage, voltage modules, imaging system, rinse station, software 220V C/F	¥4,640,000
PICOVIEW ACCESSORIES		
CTM400	Coated Tip Module for PV150/400	¥161,000
CTM500	Coated Tip Module for PV/DPV-500/550/565 PicoView Models	¥157,000
CTM500-S	Offline Coated Tip Module for PV/DPV-500/550/565 PicoView Models	¥192,000
DPV-ILLCBL-02	Fiber Optic & Cable Kit for DPV450..Includes fiber optic cable, focusing lens, lens coupler housing	¥118,000
DPV-ILLKIT-02	Illuminator Kit for PV & DPV..Includes LED illuminator, power cables, fiber optic ring adapter	¥199,000
DPV450-UTM	Uncoated Tip Module for PicoView 450 Complete: includes nebulizer gas tee, microtee and SS union with holder	¥966,000
PV-565-SSADP	Adapter for use with PV-550/565 UTM for SS/TI union	¥12,000
PV-565-SSADPT-PK	PV550/565 PicoView UTM SS Union Adapter Kit	¥55,000
PV-SG-550	Sheath Gas Kit for PV/DPV 550 sources-Incl: sheath gas tee, tee holder, gas delivery tubing and fittings	¥182,000
PV-SG-550H	Sheath Gas Tee Holder for use with PV-SG-500 on PV/DPV 550/565 sources	¥18,000
PV-SG-550U	Sheath Gas Upgrade Kit for PV/DPV 550 sources-Incl: gas-enabled electronics box, sheath gas tee, tee	¥364,000
PV-SG-565	Sheath Gas Module for PV/DPV 565 sources-Incl: sheath gas tee, tee holder, gas delivery tubing, and fittings	¥182,000
PV150-MAGKIT-C	Magnetic Coated Tip Module Kit for PV-150/400	¥200,000
PV150-MAGKIT-U	Magnetic Uncoated Tip Module for PV-150/400	¥273,000
PV400-MAGKIT-C	PV400 Magnetic Stage Plate Kit, Includes CTM Module	¥200,000
PV400-MAGKIT-U	PV400 Magnetic Stage Plate Kit, Includes UTM Module	¥273,000
PV500-MAG	Magnetic Stage Plate Only for PV-500/550 (No voltage modules included)	¥69,000
PV500-MAGKIT-CU	Magnetic Stage Plate Kit for PV-500/550/565: Incl. Magnetic stage, UTM, CTM, tip holder, conductive micro tee	¥303,000
HVC-400	High voltage replacement cable for use with PV-400 with Sciex/ABI QSTAR and 3000	¥96,000

Item	Description	参考価格(税別)
MICT-IMS	High Voltage Micro Tee for ADPC-IMS	¥79,000
MICT-PV	High-Voltage MicroTee for PicoView 500 / 550	¥81,000
NGM001	Nebulizer GasModule for PicoView 450 - Includes gas tee, fittings, and tubing	¥47,000
SGM-400	Sheath Gas Module for PV-400	¥65,000
SGM001	Sheath Gas Module for PicoView Source - PV-500/550/565	¥71,000
SGM002	Sheath Gas Tee for use with Sheath Gas Module. Includes gas tubing.	¥15,000
UTM400	Uncoated Tip Module for PV150/400	¥183,000
UTM400-M	Uncoated Tip Module for PV/DPV400 - Modified for MICC-775 conductive cross	¥202,000
UTM400L	Lid assembly only for UTM 400	¥69,000
UTM500	Uncoated Tip Module for PicoView models - 500/550 (Micro Tee not included)	¥208,000
UTM500-M	Uncoated Tip Module for PV500 - Modified for MICC-775 conductive cross (not included)	¥210,000
UTM500L	Lid assembly only for UTM 550/500	¥69,000
UTM565	Uncoated Tip Module for all PicoView models - 565 (Micro Tee not included)	¥208,000
UTMNESP100	Uncoated Tip Module (UTM) - NESP-100	¥136,000
<p>PV-565-SSADPT-PK (PV550/565 PicoView UTM SS Union Adapter Kit - Includes:..1) Union adapter for UTM (NB155)..1) 150um ID SS union for 360um OD fused-silica tubing (C360UFS6-NO)..1) SS union 1/16" OD to 360um OD (C360RU1FS6)..4) PEEK ferrules, preswaged (C360NFPKG-NO)..1...)</p>
